

3.10.3 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

(i) The Solar Energy Device must be located on the roof of the residence located on the Owner's Lot, entirely within a fenced area of the Owner's Lot, or entirely within a fenced patio located on the Owner's Lot. If the Solar Energy Device will be located on the roof of the residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than ten (10%) percent above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's Lot or patio, no portion of the Solar Energy Device may extend above the fence line.

(ii) If the Solar Energy Device is mounted on the roof of the principal residence located on the Owner's Lot, then: (A) the Solar Energy Device may not extend higher than or beyond the roofline; (B) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the roofline; (C) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

3.11 Rainwater Harvesting Systems. Rain barrels or rainwater harvesting systems (a "Rainwater Harvesting System") may be installed with the advance written approval of the ACC.

3.11.1 Application. To obtain ACC approval of a Rainwater Harvesting System, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Rainwater Harvesting System; and (ii) a description of the Rainwater Harvesting System, including the color, dimensions, manufacturer, and photograph or other accurate depiction (the "**Rain System Application**"). A Rain System Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Rain System Application.

3.11.2 Approval Process. The decision of the ACC will be made in accordance with *Article 8* of this Declaration. Any proposal to install a Rainwater Harvesting System on Common Area must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.11* when considering any such request.

3.11.3 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Rain System Application and each Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

(i) The Rainwater Harvesting System must be consistent with the color scheme of the residence constructed on the Owner's Lot, as reasonably determined by the ACC.

(ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.

(iii) The Rainwater Harvesting System is in no event located between the front of the residence constructed on the Owner's Lot and any adjoining or adjacent street.

(iv) There is sufficient area on the Owner's Lot to install the Rainwater Harvesting System, as reasonably determined by the ACC.

3.11.4 Guidelines. If the Rainwater Harvesting System will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, Common Area, or another Owner's Lot, the ACC may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System. Accordingly, when submitting a Rain System Application, the application should describe methods proposed by the Owner to shield the Rainwater Harvesting System from the view of any street, Common Area, or another Owner's Lot. When reviewing a Rain System Application for a Rainwater Harvesting System that will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, Common Area, or another Owner's Lot, any additional regulations imposed by the ACC to regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System, may not prohibit the economic installation of the Rainwater Harvesting System, as reasonably determined by the ACC.

3.12 Xeriscaping. As part of the installation and maintenance of landscaping on an Owner's Lot, an Owner may submit plans for and install drought tolerant landscaping ("Xeriscaping") upon written approval by the ACC. All Owners implementing Xeriscaping shall comply with the following:

3.12.1 Application. Approval by the ACC is required prior to installing Xeriscaping. To obtain the approval of the ACC for Xeriscaping, the Owner shall provide the ACC with the following information: (i) the proposed site location of the Xeriscaping on the Owner's Lot; (ii) a description of the Xeriscaping, including the types of plants, border materials, hardscape materials and photograph or other accurate depiction and (iii) the percentage of yard to be covered with gravel, rocks and cacti (the "**Xeriscaping Application**"). A Xeriscaping Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the

Xeriscaping Application. The ACC is not responsible for: (i) errors or omissions in the Xeriscaping Application submitted to the ACC for approval; (ii) supervising installation or construction to confirm compliance with an approved Xeriscaping Application or (iii) the compliance of an approved application with Applicable Law.

3.12.2 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Xeriscaping Application and all Xeriscaping to be installed in accordance therewith must comply with the following:

(i) The Xeriscaping must be aesthetically compatible with other landscaping in the community as reasonably determined by the ACC. For purposes of this *Section 3.12*, "aesthetically compatible" shall mean overall and long-term aesthetic compatibility within the community. For example, an Owner's Lot plan may be denied if the ACC determines that: a) the proposed Xeriscaping would not be harmonious with already established turf and landscaping in the overall community; and/or b) the use of specific turf or plant materials would result in damage to or cause deterioration of the turf or landscaping of an adjacent property owner, resulting in a reduction of aesthetic appeal of the adjacent property Owner's Lot.

(ii) No Owners shall install gravel, rocks or cacti that in the aggregate encompass over thirty percent (30%) of such Owner's front yard or fifty percent (50%) of such Owner's back yard.

(iii) The Xeriscaping must not attract diseases and insects that are harmful to the existing landscaping on neighboring Lots, as reasonably determined by the ACC.

3.12.3 Process. The decision of the ACC will be made within a reasonable time, or within the time period otherwise required by the principal deed restrictions which govern the review and approval of improvements. A Xeriscaping Application submitted to install Xeriscaping on property owned by the Association or property owned in common by members of the Association will not be approved. Any proposal to install Xeriscaping on property owned by the Association or property owned in common by members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to the requirements set forth in this *Section 3.12* when considering any such request.

3.12.4 Approval. Each Owner is advised that if the Xeriscaping Application is approved by the ACC, installation of the Xeriscaping must: (i) strictly comply with the Xeriscaping Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Xeriscaping to be installed in accordance with the approved Xeriscaping Application, the ACC may require the Owner to: (i) modify the Xeriscaping Application to accurately reflect the Xeriscaping installed on the

Property; or (ii) remove the Xeriscaping and reinstall the Xeriscaping in accordance with the approved Xeriscaping Application. Failure to install Xeriscaping in accordance with the approved Xeriscaping Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this Declaration and may subject the Owner to fines and penalties. Any requirement imposed by the ACC to resubmit a Xeriscaping Application or remove and relocate Xeriscaping in accordance with the approved Xeriscaping Application shall be at the Owner's sole cost and expense.

**3.13 Utility Lines.** No sewer, drainage or water lines shall be constructed, placed or maintained anywhere in or upon any portion of the Property other than within buildings or structures unless the same shall be constructed, placed or maintained underground. No wires or other devices for the communication or transmission of electric current, power, or signals including telephone, television, microwave or radio signals, shall be constructed, placed or maintained anywhere in or upon any portion of the Property other than within buildings or structures unless the same shall be contained in conduits or cables constructed, placed or maintained underground or concealed in or under buildings or other structures.

**3.14 Garages.** All garages must be built to accommodate at least two (2) full-sized automobiles. No garage may be permanently enclosed or otherwise used for habitation. Each driveway must be built to accommodate at least two (2) vehicles in front of the garage. Rear, detached garages are permitted so long as they are constructed in accordance with this Declaration and Applicable Law.

#### ARTICLE 4

##### THE PRESERVE AT HONEY CREEK RESIDENTIAL COMMUNITY, INC.

**4.1 Organization.** The Association will be a non-profit corporation created for the purposes, charged with the duties, and vested with the powers of a Texas non-profit corporation. Neither the Certificate nor Bylaws will for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. Unless expressly provided in the Restrictions, the Association acts through a Majority of the Board. Certain acts and activities of the Association and the Board must be approved by the Declarant during the Development Period. If Declarant approval is required, Declarant's approval must be evidenced in writing.

**4.2 Membership.**

**4.2.1 Mandatory Membership.** Any person or entity, upon becoming an Owner, will automatically become a Member of the Association. Membership will be appurtenant to and will run with the ownership of the Lot that qualifies the Owner thereof for membership, and membership may not be severed from the ownership of the Lot, or in any way transferred, pledged, mortgaged or alienated, except together with the title to such Lot. Within thirty (30) days after acquiring legal title to a Lot, if requested by the Board, an Owner

must provide the Association with: (i) a copy of the recorded deed by which the Owner has acquired title to the Lot; (ii) the Owner's address, email address, phone number, and driver's license number, if any; (iii) any Mortgagee's name and address; and (iv) the name, phone number, and email address of any Resident other than the Owner.

**If you acquire a Lot you automatically become a member of the Association.  
Membership is Mandatory!**

4.2.2 Easement of Enjoyment – Common Area. Every Member will have a right and easement of enjoyment in and to all of the Common Area and an access easement by and through any Common Area, which easements will be appurtenant to and will pass with the title to such Member's Lot, subject to the following restrictions and reservations:

(i) The right of the Declarant, or the Declarant's designee, to cause such Improvements and features to be constructed upon the Common Area, as determined from time to time by the Declarant, in the Declarant's sole and absolute discretion;

(ii) The right of the Association to suspend the Member's right to use the Common Area for any period during which any Assessment against such Member's Lot remains past due and for any period during which such member is in violation of any provision of this Declaration;

(iii) The right of the Declarant, during the Development Period, and the Board thereafter, to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for any purpose;

(iv) The right of the Declarant, during the Development Period, and the Board thereafter to grant easements or licenses over and across the Common Area;

(v) With the advance written approval of the Declarant during the Development Period, the right of the Board to borrow money for the purpose of improving the Common Area and, in furtherance thereof, mortgage the Common Area;

(vi) The right of the Declarant, during the Development Period, and the Board, with the advance written approval of the Declarant during the Development Period, to promulgate Rules and Regulations regarding the use of the Common Area and any Improvements thereon; and

(vii) The right of the Association to contract for services with any third parties on such terms as the Board may determine, except that during the

Development Period, all such contracts must be approved in advance and in writing by the Declarant.

**4.3 Governance.** As more specifically described in the Bylaws, the Board will consist of at least three (3) persons elected at the annual meeting of the Association, or at a special meeting called for such purpose. **Notwithstanding the foregoing provision or any provision in this Declaration to the contrary, until one hundred and twenty (120) days after seventy-five percent (75%) of the Maximum Number of Lots have been made subject to the terms and provisions of this Declaration and have been conveyed to Owners other than the Declarant or a Homebuilder, Declarant will have the sole right to appoint and remove all members of the Board and officers of the Association. Within one hundred and twenty (120) days after seventy-five percent (75%) of the Maximum Number of Lots have been made subject to the terms and provisions of this Declaration and have been conveyed to Owners other than the Declarant or a Homebuilder, the Board will call a meeting of Members of the Association for the purpose of electing one-third of the Board (the "Initial Member Election Meeting"), which Board member(s) must be elected by Owners other than the Declarant. Declarant shall continue to have the sole right to appoint and remove two-thirds (2/3) of the Board from and after the Initial Member Election Meeting until expiration or termination of the Development Period. The individual(s) elected to the Board at the Initial Member Election Meeting shall be elected for a one (1) year term and shall serve until his or her successor is elected or he or she is replaced in accordance with the Bylaws.**

**4.4 Voting Allocation.** The number of votes which may be cast to elect members to the Board (except as provided by *Section 4.3*) and on all other matters the Members may vote on shall be calculated as set forth below.

**4.4.1 Owner Votes.** The Owner of each Lot will have one (1) vote for each Lot so owned.

**4.4.2 Declarant Votes.** In addition to the votes to which Declarant is entitled by reason of *Section 4.4.1*, for every one (1) vote outstanding in favor of any other person or entity, Declarant will have four (4) additional votes until the expiration or termination of the Development Period. Declarant may cast votes allocated to the Declarant pursuant to this *Section 4.4.2* and shall be considered a Member for the purpose of casting such votes, and need not own any portion of the Property as a pre-condition to exercising such votes.

**4.4.3 Co-Owners.** When more than one person or entity owns a portion of the fee simple interest in any Lot, all such persons or entities will be Members. The vote or votes (or fraction thereof) for such Lot will be exercised by the person so designated in writing to the Secretary of the Association by the Owner of such Lot, and in no event will the vote for such Lot exceed the total votes to which such Lot is otherwise entitled under this *Section 4.4*.

**4.5 Powers.** The Association will have the powers of a Texas non-profit corporation. It will further have the power to do and perform any and all acts that may be necessary or proper, for or incidental to, the exercise of any of the express powers granted to it by Applicable Law or this Declaration. Without in any way limiting the generality of the two preceding sentences, the Board, acting on behalf of the Association, will have the following powers at all times:

4.5.1 Rules and Regulations, Bylaws and Community Manual. To make, establish and promulgate, and in its discretion to amend from time to time, or repeal and re-enact, such rules, regulations, policies, Bylaws and Community Manual not in conflict with this Declaration, as the Board deems proper, covering any and all aspects of the Property or the Common Area (including the operation, maintenance and preservation thereof) or the Association. Any Rules and Regulations, policies, Bylaws and Community Manual and any modifications thereto proposed by the Board must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

4.5.2 Insurance. To obtain and maintain in effect, policies of insurance that, in the opinion of the Board, are reasonably necessary or appropriate to carry out the Association's functions.

4.5.3 Records. To keep books and records of the Association's affairs, and to make such books and records, together with current copies of the Restrictions available for inspection by the Owners, Mortgagees, and insurers or guarantors of any Mortgage upon request during normal business hours.

4.5.4 Assessments. To levy and collect Assessments, as provided in *Article 6* below.

4.5.5 Right of Entry and Enforcement. To enter at any time without notice in an emergency (or in the case of a non-emergency, after twenty-four (24) hours written notice), without being liable to any Owner or Resident, upon any Lot and into any Improvement thereon for the purpose of enforcing the Restrictions or for the purpose of maintaining or repairing any area, Improvement or other facility or removing any item to conform to the Restrictions. The expense incurred by the Association in connection with the entry upon any Lot and the removal or maintenance and repair work conducted therefrom, thereon or therein will be a personal obligation of the Owner of the Lot so entered, will be deemed an Individual Assessment against such Lot, will be secured by a lien upon such Lot, and will be enforced in the same manner and to the same extent as provided in *Article 6* hereof for Assessments. The Association will have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of the Restrictions. The Association is also authorized to settle claims, enforce liens and take all such action as it may deem necessary or

expedient to enforce the Restrictions; provided, however, that the Board will never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, or its successors or assigns. The Association may not alter or demolish any Improvements on any Lot other than Common Area in enforcing these Restrictions before a judicial order authorizing such action has been obtained by the Association, or before the written consent of the Owner(s) of the affected Lot(s) has been obtained. **EACH SUCH OWNER AND RESIDENT WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION, ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 4.5.5 (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

4.5.6 Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association.

4.5.7 Conveyances. To grant and convey to any person or entity the real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way or mortgages, out of, in, on, over, or under any Common Area for the purpose of constructing, erecting, operating or maintaining the following:

- (i) Parks, parkways or other recreational facilities or structures;
- (ii) Roads, streets, sidewalks, signs, street lights, walks, driveways, trails and paths;
- (iii) Lines, cables, wires, conduits, pipelines or other devices for utility purposes;
- (iv) Sewers, water systems, storm water drainage systems, sprinkler systems and pipelines; and/or
- (v) Any similar Improvements or facilities.

Nothing set forth above, however, will be construed to permit use or occupancy of any Improvement or other facility in a way that would violate applicable use and occupancy restrictions imposed by the Restrictions or by Applicable Law. In addition, until expiration or termination of the Development Period, any grant or conveyance under this *Section 4.5.7* must be approved in advance and in writing by the Declarant.

4.5.8 Manager. To retain and pay for the services of a person or firm (the "Manager"), which may include Declarant or any affiliate of Declarant, to manage and operate the Association, including its property, to the extent deemed advisable by the Board. Personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by Applicable Law, the Board may delegate any other duties, powers and functions to the Manager. In addition, the Board may adopt transfer fees, resale certificate fees or any other fees associated with the provision of management services to the Association or its Members. **THE MEMBERS HEREBY RELEASE THE ASSOCIATION AND THE MEMBERS OF THE BOARD AND COMMITTEE MEMBERS FROM LIABILITY FOR ANY OMISSION OR IMPROPER EXERCISE BY THE MANAGER OF ANY SUCH DUTY, POWER OR FUNCTION SO DELEGATED.**

4.5.9 Property Services. To pay for water, sewer, garbage removal, street lights, landscaping, gardening and all other utilities, services, repair and maintenance for any portion of the Property, Common Area, private or public recreational facilities, easements, roads, roadways, rights-of-ways, signs, parks, parkways, median strips, sidewalks, paths, trails, ponds, canals, and lakes.

4.5.10 Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to Applicable Law or under the terms of the Restrictions or as determined by the Board.

4.5.11 Construction on Common Area. To construct new Improvements or additions to any property owned, leased, or licensed by the Association, subject to the approval of the Board and the Declarant until expiration or termination of the Development Period.

4.5.12 Contracts. To enter into Bulk Rate Contracts or other contracts or licenses with Declarant or any third party on such terms and provisions as the Board will determine, to operate and maintain any Common Area or other property, or to provide any service, including but not limited to cable, utility, or telecommunication services, or perform any function on behalf of Declarant, the Board, the Association, or the Members. During the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant.

4.5.13 Property Ownership. To acquire, own and dispose of all manner of real and personal property, including habitat, whether by grant, lease, easement, gift or otherwise. During the Development Period, all acquisitions and dispositions of the Association hereunder must be approved in advance and in writing by the Declarant.

4.5.14 Allocation of Votes. To determine votes when permitted pursuant to *Section 4.4* above.

4.5.15 Membership Privileges. To establish Rules and Regulations governing and limiting the use of the Common Area and any Improvements thereon. All Rules and

Regulations governing and limiting the use of the Common Area, and any Improvements thereon, must be approved in advance and in writing by the Declarant during the Development Period.

**4.6     Conveyance of Common Area to the Association.** The Association may acquire, hold, and dispose of any interest in tangible and intangible personal property and real property. Declarant, and its assignees, reserves the right, from time to time and at any time, to designate by written and Recorded instrument portions of the Property being held by the Declarant for the benefit of the Association. Upon the Recording of such designation, the portion of the Property identified therein will be considered Common Area for the purpose of this Declaration. Declarant and its assignees may also assign, transfer or convey to the Association interests in real or personal property within or for the benefit of the Property, for the Property and the general public, or otherwise, as determined in the sole and absolute discretion of the Declarant. All or any real or personal property assigned, transferred and/or conveyed by the Declarant to the Association shall be deemed accepted by the Association upon Recordation, and without further action by the Association, and shall be considered Common Area without regard to whether such real or personal property is designated by the Declarant as Common Area. If requested by the Declarant, the Association will execute a written instrument, in a form requested by the Declarant, evidencing acceptance of such real or personal property; provided, however, execution of a written consent by the Association shall in no event be a precondition to acceptance by the Association. The assignment, transfer, and/or conveyance of real or personal property to the Association may be by deed without warranty, may reserve easements in favor of the Declarant or a third party designated by Declarant over and across such property, and may include such other provisions, including restrictions on use, determined by the Declarant, in the Declarant's sole and absolute discretion. Property assigned, transferred, and/or conveyed to the Association may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Upon Declarant's written request, the Association will re-convey to Declarant any unimproved real property that Declarant originally conveyed to the Association for no payment.

**4.7     Indemnification.** To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Certificate or Bylaws of the Association, the Association will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she: (i) acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of

nolo contendere or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

**4.8 Insurance.** The Board may purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in their capacity as a director, officer, committee member, employee, servant or agent of the Association, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

**4.9 Bulk Rate Contracts.** Without limitation on the generality of the Association powers set out in *Section 4.5* hereinabove (except that during the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant), the Association will have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant, and/or any entities in which Declarant, or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. The Association may, at its option and election, add the charges payable by such Owner under such Bulk Rate Contract to the Assessments against such Owner's Lot. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of non-payment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such twelve (12) day period), in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the Resident of such Owner's Lot) directly to the applicable service or utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner (or the Resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service will be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

**4.10 Community Services and Systems.** The Declarant, or a designee of the Declarant, is specifically authorized, but not required, to install, provide, maintain or furnish, or to enter into contracts with other persons to install, provide, maintain or furnish, central telecommunication receiving and distribution systems (e.g., cable television, high speed data/Internet/intranet services, and security monitoring) and utility services (e.g., electricity, solar, gas, water), and related components, including associated infrastructure, equipment, hardware, and software to serve all or any portion of the Property ("**Community Services and Systems**"). The Community Services and Systems may be located on Common Area and on or in any Improvements constructed upon the Common Area, and an easement is herein reserved in favor of Declarant or its designee for the purpose of installing, operating, managing, maintaining, upgrading and modifying the Community Services and Systems. In the event the Declarant, or a designee of the Declarant, elects to provide any of the Community Services and Systems to all or any portion of the Property, the Declarant or designee of the Declarant, may enter into an agreement with the Association with respect to such services. In the event Declarant, or any designee of the Declarant, enters into a contract with a third party for the provision of any Community Services and Systems to serve all or any portion of the Property, the Declarant or the designee of the Declarant may assign any or all of the rights or obligations of the Declarant or the designee of the Declarant under the contract to the Association or any individual or entity. Any such contracts may provide for installation, operation, management, maintenance, and upgrades or modifications to the Community Services and Systems as the Declarant or its designee determines appropriate. **Each Owner acknowledges that interruptions in Community Services and Systems will occur from time to time. The Declarant and the Association, or any of their respective affiliates, directors, officers, employees and agents, or any of their successors or assigns shall not be liable for, and no Community Services and Systems user shall be entitled to refund, rebate, discount, or offset in applicable fees for, any interruption in Community Services and Systems and services, regardless of whether or not such interruption is caused by reasons within the service provider's control.**

**4.11 Protection of Declarant's Interests.** Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots or any portion of the Property owned by Declarant. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. Unless the Declarant agrees otherwise in advance and in writing, the Board shall be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

**4.12 Administration of Common Area.** The administration of the Common Area by the Association shall be in accordance with the provisions of Applicable Law and the Restrictions, specifically including, without limitation, the PD, and of any other agreements,

documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) designated by Declarant or by any governmental or quasi-governmental agency having regulatory jurisdiction over the Common Area or by any title insurance company selected by Declarant to insure title to any portion of the Common Area.

**4.13 Private Parks and Hike and Bike Trails.** The Association shall be obligated to maintain the Private Parks and Hike and Bike Trails in accordance with Applicable Law. The Private Parks and Hike and Bike Trails shall be included as a part of the Common Area and may be used for personal recreational activities in accordance with the rules adopted by the Association. The Association may modify the areas to be included in the Private Parks and Hike and Bike Trails in its sole discretion.

**4.14 Amenity Building.** The Association shall be obligated to maintain the Amenity Building in accordance with Applicable Law. The Amenity Building shall be included as a part of the Common Area and may be used for personal and family purposes by the Members in accordance with the rules adopted by the Association. The Association may modify the Amenity Building in its sole discretion.

**4.15 Right of Action by Association.** The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation or administrative proceedings: (i) in the name of or on behalf of any Lot Owner (whether one or more); or (ii) pertaining to a Claim, as defined in *Section 12.1* below, relating to the design or construction of Improvements on a Lot (whether one or more). This *Section 4.15* may not be amended or modified without Declarant's written and acknowledged consent and Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, which must be part of the Recorded amendment instrument.

## **ARTICLE 5 INSURANCE AND RESTORATION**

**5.1 Insurance.** Each Owner will be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot. The Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary. Insurance premiums for such policies will be a common expense to be included in the Assessments levied by the Association. The acquisition of insurance by the Association will be without prejudice to the right and obligation of any Owner to obtain additional individual insurance. During the Development Period, Declarant reserves the right to satisfy the insurance obligations of the Association with a master insurance program controlled by Declarant.

**ARE YOU COVERED?**

**The Association will not provide insurance which covers an Owner's Lot or any Improvements or personal property located on a Lot.**

**5.2     Restoration.** In the event of any fire or other casualty, unless otherwise approved by the ACC, the Owner shall: (i) promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof or (ii) in the case of substantial or total damage or destruction of any Improvement, remove all such damaged Improvements and debris from the Property within sixty (60) days after the occurrence of such damage. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials substantially similar to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute the same to completion, or if the Owner does not clean up any debris resulting from any damage within sixty (60) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement, removal or clean-up, and such Owner will be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed under Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision will not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1½%) per month) will be added to the Assessment chargeable to the Owner's Lot. Any such amounts added to the Assessments chargeable against a Lot will be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot. **EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE PROPERTY, HEREBY RELEASES AND HOLDS HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

**5.3     Mechanic's and Materialmen's Lien.** Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association pursuant to the rights granted under this

*Article 5*, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, replacement or clean-up of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration, replacement, or clean-up exceeds any insurance proceeds allocable to such repair, restoration, replacement, or clean-up and delivered to the Association. Upon request by the Board, and before the commencement of any reconstruction, repair, restoration, replacement or clean-up, such Owner will execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

## ARTICLE 6 COVENANT FOR ASSESSMENTS

### 6.1 Assessments.

6.1.1 Established by the Board. Assessments established by the Board pursuant to the provisions of this *Article 6* will be levied against each Lot in amounts determined pursuant to *Section 6.7* below. The total amount of Assessments will be determined by the Board pursuant to *Section 6.3* through *Section 6.6*.

6.1.2 Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

6.1.3 Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied against Lots for any fiscal year by the payment of a subsidy to the Association. Any subsidy paid to the Association by Declarant may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. Any subsidy and the characterization thereof may be disclosed as a line item in the annual budget prepared by the Board and attributable to such Assessments. The payment of a subsidy in any given year will not obligate Declarant to continue payment of a subsidy to the Association in future years.

6.2 Maintenance Fund. The Board will establish a maintenance fund into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association under this Declaration. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

6.3 Regular Assessments. Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association (the "Regular Assessments") which sets forth: (i) an estimate of the expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions, including, but not limited to, the cost of all

management, repair and maintenance, the cost of providing any lighting, the cost of administering and enforcing the Restrictions, and (ii) an estimate of the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and will give due consideration to any expected income and any surplus from the prior year's fund. The level of Regular Assessments should be based on an accredited cost project analysis with a specific reserve account for maintaining the Common Area in good repair and condition. Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non-payment of any Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner. All such Regular Assessments will be due and payable to the Association annually on or before the first day of the month, or in such other manner as the Board may designate in its sole and absolute discretion.

**6.4 Working Capital Assessment.** Each Owner (other than Declarant) will pay a one-time working capital assessment (the "**Working Capital Assessment**") to the Association in such amount, if any, as may be determined by the Declarant, until expiration or termination of the Development Period, and the Board thereafter. Such Working Capital Assessment need not be uniform among all Lots, and the Declarant, until expiration or termination of the Development Period, and the Board thereafter is expressly authorized to levy Working Capital Assessments of varying amounts depending on the size, use and general character of the Lots then being made subject to such levy. The Association may use the working capital to discharge operating expenses. The levy of any Working Capital Assessment will be effective only upon the Recordation of a written notice, signed by the Declarant, during the Development Period, or a duly authorized officer of the Association thereafter, setting forth the amount of the Working Capital Assessment and the Lots to which it applies.

Notwithstanding the foregoing provision, the following transfers shall not be subject to the Working Capital Assessment: (i) foreclosure of a deed of trust lien, tax lien, or the Association's Assessment lien; (ii) transfer to, from, or by the Association; (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent. Additionally, an Owner who (iv) is a Homebuilder; or (v) a Residential Developer shall not be subject to the Working Capital Assessment; however, the Working Capital Assessment shall be payable by any Owner who acquires a Lot from a Homebuilder or Residential Developer for residential living purposes or by any Owner who: (vi) acquires a Lot and is not in the business of constructing single-family residences for resale to a third party; or (vii) who acquires the Lot for any purpose other than constructing a single-family residence thereon for resale to a third party. In the event of any dispute regarding the application of the Working Capital Assessment to a particular Owner, Declarant's determination regarding application of the exemption shall be binding and conclusive without regard to any contrary interpretation of this Section 6.4. The Working Capital Assessment shall be in addition to, not in lieu of, any other Assessments levied in accordance with this Article and shall not be considered an

advance payment of such Assessments. The Working Capital Assessment hereunder will be due and payable to the Association immediately upon each transfer of title to the Lot, including upon transfer of title from one Owner of such Lot to any subsequent purchaser or transferee thereof. The Declarant during the Development Period, and thereafter the Board, shall have the power to waive the payment of any Working Capital Assessment attributable to a Lot (or all Lots) by the Recordation of a waiver notice or in the Notice of Applicability, which waiver may be temporary or permanent.

**6.5 Special Assessments.** In addition to the Regular Assessments provided for above, the Board may levy special assessments (the "**Special Assessments**") whenever in the Board's opinion such Special Assessments are necessary to enable the Board to carry out the functions of the Association under the Restrictions. The amount of any Special Assessments will be at the reasonable discretion of the Board. In addition to the Special Assessments authorized above, the Association may, in any fiscal year, levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area. Any Special Assessment levied by the Association for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area will be levied against all Owners based on Assessment Units.

**6.6 Individual Assessments.** In addition to any other Assessments, the Board may levy an individual assessment (the "**Individual Assessment**") against an Owner and the Owner's Lot. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with this Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Residents of the Owner's Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and "pass through" expenses for services to Lots provided through the Association and which are equitably paid by each Lot according to the benefit received.

**6.7 Amount of Assessment.**

**6.7.1 Assessments to be Levied.** The Board shall levy Assessments against each "Assessment Unit" (as defined in *Section 6.7.2* below). Unless otherwise provided in this Declaration, Assessments levied pursuant to *Section 6.3* and *Section 6.5* shall be levied uniformly against each Assessment Unit allocated to a Lot.

**6.7.2 Assessment Unit.** Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 6.7.3* and *Section 6.7.4*.

6.7.3 Declarant Exemption. Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant.

6.7.4 Other Exemptions. Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property or any Lot from any Assessments levied or charged pursuant to this *Article 6*; or (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Property. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments.

6.8 Late Charges. If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

6.9 Owner's Personal Obligation; Interest. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of one and one-half percent (1½%) per month), together with late charges, if any, all costs and expenses of collection, including reasonable attorney's fees. Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

6.10 Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with late charges as provided in *Section 6.8* and interest as provided in *Section 6.9* hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to *Section 6.1.2* above, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for: (i) tax liens and governmental assessment liens; (ii) all sums secured by a Recorded first mortgage lien or Recorded first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question, (iii) home equity loans or home equity lines of credit which are secured by a Recorded second mortgage lien or Recorded second deed of trust lien of record; or (iv) as otherwise required by Applicable Law; provided that, in the case of subparagraphs (ii), (iii) and (iv) above, such Mortgage was Recorded before the delinquent

Assessment was due. The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination shall be signed by an authorized officer, agent or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the authorized officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 6.10*, the Association will upon the request of the Owner, and at such Owner's cost, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an authorized officer, agent, or attorney of the Association. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such twelve (12) day period) to such Owner, in addition to all other rights and remedies available pursuant to Applicable Law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility or cable service provided through the Association and not paid for directly by an Owner or Resident to the utility or service provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street

address where the Owner or the Owner's tenant can make arrangements for payment of the bill and for reconnection of service. Utility or cable service will not be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay such amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party; provided, however, that no transfer fee will be due upon the transfer of a Lot from Declarant to a third party.

**Yes, the Association *can* foreclose on your Lot!**

**If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.**

**6.11 Exempt Property.** The following areas will be exempt from the Assessments provided for in this Article:

- (i) All area dedicated and accepted by a public authority;
- (ii) The Common Area; and
- (iii) Any portion of the Property owned by Declarant.

**6.12 Fines and Damages Assessment.**

6.12.1 Board Assessment. The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees. Any fine and/or charge levied in accordance with this *Section 6.12* will be considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them of their violations and

asking them to comply with the Rules and Regulations and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

6.12.2 Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest as provided in *Section 6.9* hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to *Section 6.1.2* of this Declaration. The fine and/or damage charge will be considered an Assessment for the purpose of this Article and will be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this *Article 6*.

## ARTICLE 7 ARCHITECTURAL CONTROL COMMITTEE

Declarant has a substantial interest in ensuring that Improvements within the Property maintain and enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market and sell all or any portion of the Property. Until Declarant has delegated its right to appoint and remove all members of the ACC to the Board as provided in *Section 7.2.1* below, the ACC will be acting solely in Declarant's interest and will owe no duty to any other Owner or the Association. Notwithstanding any provision in this Declaration to the contrary, Declarant may appoint a single person to exercise the rights of the ACC. No Improvement constructed or caused to be constructed by the Declarant will be subject to the terms and provisions of this *Article 8* and need not be approved in accordance herewith.

7.1 Construction of Improvements. No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, by anyone other than Declarant without the prior written approval of the ACC.

### 7.2 Architectural Control Committee.

7.2.1 Composition. The ACC will be composed of not more than three (3) persons (who need not be Members or Owners) appointed as provided below, who will review Improvements proposed to be made by any Owner other than Declarant. Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant may assign its right to appoint all members of the ACC to the Association by Recorded written instrument, and thereafter, the Board will have the right to appoint and remove (with or without cause) all members of the ACC. Any assignment by Declarant of the right to appoint and remove all members of the ACC may be withdrawn until expiration of twenty-four (24) months after the expiration of the Development Period. If Declarant withdraws its assignment of the right to appoint and remove all members of the ACC, then on the date of such withdrawal, Declarant will have the right to appoint and remove (with or without cause) all

members of the ACC. Declarant's right to appoint all members of the ACC will automatically be assigned to the Association upon the expiration of twenty-four (24) months after the expiration of the Development Period. Declarant, at its option, may create and assign specific duties and responsibilities to one or more sub-committees consisting of members and/or nonmembers of the ACC. In the event responsibilities and duties are assigned to a sub-committee, those responsibilities and duties will no longer be discharged by the ACC unless the sub-committee exercising such duties and responsibilities is dissolved by Declarant. The right to create, dissolve, and appoint members of such sub-committees will reside exclusively with Declarant until such time as Declarant has assigned its right to appoint members of the ACC to the Association. The ACC will have the right to employ consultants and advisors as it deems necessary or appropriate.

7.2.2 Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal for such re-subdivision or consolidation, will be submitted in accordance with the Design Guidelines, if any, or any additional rules adopted by the ACC together with any review fee which is imposed by the ACC in accordance with *Section 7.2.3* to the ACC at the offices of Declarant, at such address as may hereafter be designated in writing from time to time. No re-subdivision or consolidation will be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a Majority of the members of the ACC. The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds. Notwithstanding any provision to the contrary in this Declaration, the ACC may issue an approval to Homebuilders for the construction of Improvements based on the review and approval of plan types and adopt a procedure which differs from the procedures for review and approval otherwise set forth in this Declaration.

7.2.3 Design Guidelines. Declarant may adopt the initial Design Guidelines and, during the Development Period, will have the power from time to time, to adopt (unless previously adopted by Declarant), amend, modify, or supplement the Design Guidelines, if any. Upon expiration or termination of the Development Period, the ACC, or any sub-committee thereof created pursuant to *Section 7.2.1*, will have the power from time to time, to amend, modify, or supplement the Design Guidelines, if any; provided, however, that any amendment

to the Design Guidelines made by a sub-committee will only apply to the Improvements under the jurisdiction of such sub-committee, and during the Development Period, any such amendment, modification or supplement must be approved in advance and in writing by the Declarant. In the event of any conflict between the terms and provisions of the Design Guidelines, if any, and the terms and provisions of this Declaration, the terms and provisions of this Declaration will control. In addition, the ACC will have the power and authority to impose a fee for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges will be held by the ACC and used to defray the administrative expenses incurred by the ACC in performing its duties hereunder; provided, however, that any excess funds held by the ACC will be distributed to the Association at the end of each calendar year. The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration and the Design Guidelines, is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

7.2.4 Actions of the Architectural Control Committee. The ACC may, by resolution unanimously adopted in writing, designate one or more of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the ACC, except the granting of variances. In the absence of such designation, the vote of a Majority of all of the members of the ACC taken at a duly constituted meeting will constitute an act of the ACC.

7.2.5 Failure to Act. In the event that any plans and specifications are submitted to the ACC as provided herein, and the ACC fails either to approve or reject such plans and specifications for a period of sixty (60) days following such submission, rejection of such plans and specifications by the ACC will be presumed. In furtherance, and not in limitation, of the foregoing, any failure of the ACC to act upon a request for a variance will not be deemed a consent to such variance, and the ACC's written approval of all requests for variances will be expressly required.

7.2.6 Variances. The ACC may grant variances from compliance with any of the provisions of the Design Guidelines, if any, or this Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, such variance is justified. All variances must be evidenced in writing and must be signed by at least a Majority of the members of the ACC. Each variance must also be Recorded; provided however, that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, including the Declarant or its designee, the Association, or the Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines, if any, will be deemed to have occurred with respect to the matter for which

the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of this Declaration or the Design Guidelines, if any, for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration or the Design Guidelines, if any.

**7.2.7 Duration of Approval.** The approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and twenty (120) days only. If construction in accordance with such plans and specifications or variance is not commenced within such one hundred and twenty (120) day period and diligently prosecuted to completion within either: (i) one year after issuance of approval of such plans and specifications; or (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion, the Owner will be required to resubmit such plans and specifications or request for a variance to the ACC, and the ACC will have the authority to re-evaluate such plans and specifications in accordance with this *Section 7.2.7* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

**7.2.8 No Waiver of Future Approvals.** The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

**7.2.9 Non-Liability of Committee Members.** NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

## **ARTICLE 8 MORTGAGE PROVISIONS**

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots within the Property. The provisions of this Article apply to this Declaration and the Bylaws of the Association.

**8.1 Notice of Action.** An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its

Mortgage relates (thereby becoming an "**Eligible Mortgage Holder**")), will be entitled to timely written notice of:

(i) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is an eligible Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder;

(ii) Any delinquency in the payment of assessments or charges owed for a Lot subject to the Mortgage of such Eligible Mortgage Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Restrictions relating to such Lot or the Owner or Resident which is not cured within sixty (60) days; or

(iii) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

**8.2 Examination of Books.** The Association will permit Mortgagees to examine the books and records of the Association during normal business hours.

**8.3 Taxes, Assessments and Charges.** All taxes, assessments and charges that may become liens prior to first lien mortgages under Applicable Law will relate only to the individual Lots and not to any other portion of the Property.

## **ARTICLE 9 EASEMENTS**

**9.1 Right of Ingress and Egress.** Declarant, its agents, employees, designees, successors and assigns will have a right of ingress and egress over and the right of access to the Common Area to the extent necessary to use the Common Area and the right to such other temporary uses of the Common Area as may be required or reasonably desirable (as determined by Declarant in its sole discretion) in connection with the construction and development of the Property. The Property shall be subject to a perpetual non-exclusive easement for the installation and maintenance of, including the right to read meters, service or repair lines and equipment, and to do everything and anything necessary to properly maintain and furnish the Community Systems and the facilities pertinent and necessary to the same, which easement shall run in favor of Declarant. Declarant shall have the right, but not the obligation, to install and provide the Community Systems and to provide the services available through the Community Systems to any and all Lots within the Property. Neither the Association nor any Owner shall have any interest therein. Any or all of such services may be provided either directly through the Association and paid for as part of the Assessments or directly to Declarant, any affiliate of Declarant, or a third party, by the Owner who receives the services. The Community Systems shall be the property of Declarant unless transferred by Declarant, whereupon any proceeds of such transfer shall belong to Declarant. Declarant shall

have the right but not the obligation to convey, transfer, sell or assign all or any portion of the Community Systems or all or any portion of the rights, duties or obligations with respect thereto, to the Association or to any person or entity. The rights of Declarant with respect to the Community Systems installed by Declarant and the services provided through such Community Systems are exclusive, and no other person or entity may provide such services through the Community Systems installed by Declarant without the prior written consent of Declarant. In recognition of the fact that interruptions in cable television and other Community Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Community System shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider of such services.

**9.2     Reserved Easements.** All dedications, limitations, restrictions and reservations shown on any Plat and all grants and dedications of easements, rights-of-way, restrictions and related rights made by Declarant or any third party prior to the Property becoming subject to this Declaration are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and will be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant. Declarant reserves the right to relocate, make changes in, and additions to said easements, rights-of-way, dedications, limitations, reservations and grants for the purpose of most efficiently and economically developing the Property.

**9.3     Roadway and Utility Easements.** Declarant hereby reserves for itself and its assigns a perpetual non-exclusive easement over and across the Property for: (i) the installation, operation and maintenance of utilities and associated infrastructure to serve the Property and any other property owned by Declarant; (ii) the installation, operation and maintenance of cable lines and associated infrastructure for sending and receiving data and/or other electronic signals, security and similar services to serve the Property and any other property owned by Declarant; (iii) the installation, operation and maintenance of, walkways, pathways and trails, drainage systems, street lights and signage to serve the Property and any other property owned by Declarant; and (iv) the installation, location, relocation, construction, erection and maintenance of any streets, roadways, or other areas to serve the Property and any other property owned by Declarant. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party who owns, operates or maintains the facilities and Improvements described in (i) through (iv) of this Section. In addition, Declarant may designate all or any portion of the easements or facilities constructed therein as Common Area.

**9.4     Entry and Fencing Easement.** Declarant reserves for itself and the Association, an easement over and across the Property and any Common Area for the installation, maintenance, repair or replacement of certain subdivision entry facilities, walls, and/or fencing which serves the Property, the Common Area or any other property owned by the Declarant. Declarant will have the right, from time to time, to Record a written notice which identifies the

fencing and/or subdivision entry facilities fencing to which the easement reserved hereunder applies. Declarant may designate all or any portion of the fencing and/or subdivision entry facilities as Common Area.

**9.5 Landscape, Monumentation and Signage Easement.** Declarant hereby reserves for itself and the Association, an easement over and across the Property and the Common Area for the installation, maintenance, repair or replacement of landscaping, monumentation and signage which serves the Property, the Common Area or any other property owned by the Declarant. Declarant will have the right, from time to time, to Record a written notice which identifies the landscaping, monumentation or signage to which the easement reserved hereunder applies. Declarant may designate all or any portion of the landscaping, monumentation or signage as Common Area.

**9.6 Easement for Special Events.** The Declarant reserves for itself and the Association, and their successors, assigns, and designees, a perpetual, non-exclusive easement over the Common Area, for the purpose of conducting educational, cultural, artistic, musical and entertainment activities; and other activities of general community interest at such locations and times as the Declarant or the Association, in their reasonable discretion, deem appropriate. Members of the public may have access to such events. Each Owner, by accepting a deed or other instrument conveying any interest in a Lot subject to this Declaration acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the Residents to take no action, legal or otherwise, which would interfere with the exercise of such easement.

**9.7 Solar Equipment Easement.** Declarant hereby reserves for itself and the Association, and their successors, assigns, and designees, a perpetual, non-exclusive easement over and across the Property and Common Area for the installation, maintenance, repair or replacement of a rooftop solar electric generating system designed to deliver electric power to a particular residence built on a Lot or Common Area. Declarant will have the right, from time to time, to Record a written notice which identifies the solar equipment to which the easement reserved hereunder applies. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party.

**9.8 Cellular Tower and Telecommunications Easement.** Declarant hereby grants and reserves for itself and its assigns, an exclusive, perpetual and irrevocable easement, license and right to use any portion of the Common Area, or any portion of the Property which Declarant intends to designate as Common Area (the "**CTT Easement Area**") for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of CTT Equipment. Declarant or its assignee will have the right, from time to time, but no obligation, to Record a written notice which identifies the portion of the Common Area to which the CTT Easement Area pertains, and Declarant, or its assignee, may fence, install landscaping, or otherwise install improvements restricting access to the CTT Easement Area
