

To Whom It May Concern:

At Sparrow, we value our residents and want them to fully enjoy every amenity that comes from living in your master-planned community.

For their convenience, **we have granted each resident identified on the lease agreement authority to self-register and purchase access device(s) for entry into the community amenities.**

Please accept this letter as authorization for the designated residents to self-register and purchase devices to the amenities located in your community.

Each Sparrow resident receives a letter of authority from us at the time of move-in. If you require additional documentation or have questions, please contact us at hoaamenities@sparrownow.com.

Regards,

Mia Centrella
