WHEREAS, the Declaration of Covenants, Restrictions, and Maintenance Agreements (herein "Declaration") is recorded at Volume 378, Page 991-1003 of the Official Public Records of Real Property of Gillespie County, Texas and subsequently amended by instruments recorded in Volume 396, Pages 593-595, Volume 396, Pages 596-598, and Volume 402, Pages 127-137; and

WHEREAS, the Declarant, Dizdar Development Ltd., has caused to be incorporated and has assigned all the rights, powers, obligations and duties of Declarant to Spring Creek Estates Homeowners' Association Inc. (herein "Association"), a nonprofit corporation organized pursuant to the Texas Non-Profit Corporation Act; and

WHEREAS, the Association has reserved the right to amend the Declaration for any reason deemed necessary for the benefit of the Members of the Association (herein "Members"); and

WHEREAS, pursuant to Article 10, Amendment, of the Declaration and to Chapter 209, Section 209.0041, of the Texas Property Code, the owners of at least sixty-seven (67) percent of the real property within the Subdivision as determined on an acreage basis may amend the Declaration,

(h) Unless approved by the Association, no structure of any type or description that is in excess of forty-five (45) feet in vertical height shall be erected on any property tract in the Subdivision. This includes but is not limited to communication towers, cell towers, antennas (excepting TV antennas as described below), silos, houses, barns, wind turbines, and other similar examples. All structures, including any supporting devices, shall comply with the Association setback rules and shall have a fall radius (where applicable) that does not encroach upon other properties, easements, common areas, right of ways, or utilities. The Association shall have the right and power to stop or restrict any such approved structure if the Association determines in its sole discretion that the structure is detrimental to the Subdivision. Any non-compliant structure that is not completed on the effective date shall be removed or modified to be compliant with this amendment. TV antennas, devices and structures whose use is protected by 47 C.F.R §1.4000 are not subject to this restriction.

Paragraph 8. (a) shall be replaced and shall now read:

8. (a) No commercial activities shall be conducted on any parcel, and no activity shall be allowed that has the possibility of creating an environmental hazard to other Owners of the Property. Examples of such commercial activities include commercial wineries, cell towers, feed lots, commercial poultry houses, high density animal production, manufacturing activities of any type, industrial production activities, and similar enterprises. There shall be no commercial winery, but this does not preclude the growing of grapes and the production of wine for the property owner's personal consumption. These use restrictions shall not prevent the growing and processing of various agricultural products or commodities on a Parcel, except the raising of hogs is strictly prohibited. Any animals, livestock or poultry raised by any owner shall be kept under fence. Such restrictions shall also not prohibit an Owner from conducting a craft or art related business on his portion of the Property, including painting, photography, wood, metal or glass sculpting or the conduct of a home office.

The amendment herein shall be effective from and after the date it is duly filed in the Official Public Records of Gillespie County, Texas. In all other respects, the provisions of the Declaration, as amended, shall continue in full force and effect.

This amendment has been signed and executed by no less than sixty-seven (67) percent of the Members of the Subdivision as determined on an acreage basis. These executed instruments are attached hereto and when taken together this Fourth Amendment shall be construed as a single instrument.
